# Bringing Our Mission To Life

THE NATIONAL CHURCH RESIDENCES WAY

**Mark Ricketts**  
President & CEO

## WHAT MOVES YOU?

Every day at National Church Residences we have the opportunity to witness acts of generosity that allow us to further our mission of serving seniors. What we have come to learn is that what moves one individual to give is not necessarily what motivates another. The great part about National Church Residences is that, regardless of what fuels your passion, we can direct your contribution in a way that produces your desired impact.

For example: One donor felt deeply about furthering our ministry to residents so the family gave a sizeable donation to grow our chaplaincy program. The chaplaincy program has expanded from X clergy to X clergy in just X years, largely due to this generous gift.

Another donor wanted to show gratitude for the warmth and love shown to a family member at the end of their life by making a donation to our hospice program in the name of the endearing caregiver.

Yet another donor was drawn to our overall mission of advancing better living for all seniors, so the family gave an endowment gift. It was important to this family that their gift grow over the years, leaving a legacy to support future seniors in need of housing and health care services.

While the reasons may vary, the common denominator that unites all of our donors is their deep desire to give back and a heartfelt passion for our mission.

As a not-for-profit organization, we rely heavily on the continued support of our donors. 2019 will not only be a year of housing expansion, but of senior care innovation. As we strive to do more for seniors, we want to thank you for your steadfast support that makes it all possible.

Gratefully Yours,

Mark Ricketts and James Savage

## NATIONAL CHURCH RESIDENCES' TRANSPORTATION REACHES SENIORS NEEDING LIFE-SUSTAINING TREATMENTS

In June 2018, in collaboration with River Valley Health Foundation, National Church Residences Transportation launched a new initiative to support non-emergency medical transports for seniors seeking life-sustaining treatments, such as oncological, kidney dialysis and opioid addiction therapy. The River Valley Health Foundation awarded a \$50,000 grant to the National Church Residences Transportation Program.

For those in parts of east Ohio and West Virginia facing a health care crisis, finding reliable transportation for crucial appointments and treatments can prove to be challenging. Supporting our transportation program helps to remove the barriers between low-income individuals and necessary services to maintain independence while reducing premature nursing home placement.

## STATE-OF-THE-ART MEMORY CARE THAT SPANS THE DEMENTIA CONTINUUM

The three unique elements of this project include: a **Tranquility Room**, based on the Snoezelen concept. This space will offer an array of multi-sensory therapies that have been proven to provide both immediate and enduring benefits in the treatment of a dementia patient's behavior. A **Shalom Suite** will provide a dedicated environment where

In January of 2018, First Community Village Foundation launched a campaign to create an innovative, comprehensive memory care program for the residents of the First Community Village Roxbury Cottages located in Upper Arlington, Ohio. With the generous support of the Mirolo Charitable Foundation as a \$50,000 matching partner, the campaign raised in excess of \$136,000.

The Roxbury is best known for its devotion, care and respect for all individuals living with dementia. By creatively repurposing two underutilized program spaces, the Roxbury Cottages will truly offer cutting-edge memory care.

Roxbury residents in the later stage of dementia will experience a calm, loving peace through light touch massage, aromatherapy, soothing sounds and calming visuals. And, by installing flat screen technology throughout the Roxbury Cottages, **Memory Cueing** images will provide residents with a helping hand in navigating their day. The unique linking of these three components promises improved quality of life for Roxbury residents regardless of where they might be on the dementia continuum.

## 8TH ANNUAL GOLF CLASSIC

The eighth annual Golf Classic event was another great success. With 13 event sponsors and 10 foursome sponsors, we were host to 96 golfers and over 200 in attendance for the evening's program. We raised a record setting \$300,000 this year benefitting permanent supportive housing and memory care.

Our keynote speaker this year was Kim Campbell. Kim was married to pop-country music legend Glen Campbell for nearly 35 years. Their marriage became a testament to devotion and overcoming adversity when they faced their greatest challenge in 2011, when Glen was diagnosed with Alzheimer's disease. Kim supported her husband through the tumultuous hardships that accompany the disease, and has become a tireless, influential voice for all people living with Alzheimer's. While Kim was in Columbus, she toured our Champion Intergenerational Enrichment and Education Center where she was able to experience intergenerational programming with everyone participating in Tai Chi. Later that same day, Kim toured our Mill Run community and was impressed with the Tranquility Garden. This space provides rich sensory experiences for memory care residents, their families and loved ones.

## HOOD TO COAST CHAMPIONS HOSPICE

The Hood to Coast event is a 12-person relay that spans 200 miles starting at Oregon's Mt. Hood and ending on the beach in Seaside, Oregon.

For over 20 years, the "Running for Shelter" team has participated in Hood to Coast and over the years has raised more than \$800,000. This year, they supported our hospice program. The funds raised will aid in the creation of two in-patient rooms at two of National Church Residences' communities in Chillicothe and Columbus, Ohio as well as the expansion of the Memorable Moments programming. This was an extremely successful fundraising campaign, raising over \$109,000 which exceeded the original goal of \$100,000.

The new in-patient rooms are designed to create a home-like setting for those hospice patients who need to leave their homes because they require a higher level of care. These rooms will include comforts like a small refrigerator, TV with a DVD/VHS player, and a private half bath. Visiting hours are unlimited and family members can stay overnight.

National Church Residences Memorable Moments program was created to fulfill a patient's wish that exceeds the financial wherewithal of hospice's normal fundraising activities. Wishes fulfilled can be as simple as a family dinner at a favorite restaurant, underwriting a visit by a distant family member, or going to the Zoolights at the Columbus Zoo.

## NATIONAL CHURCH RESIDENCES' HOME FOR LIFE REACHES OUT TO SENIORS IN NEED

In November, 2017, in collaboration with Atlanta Habitat for Humanity and a \$36,000 grant from Enterprise Community Partners, National Church Residences launched Home for Life, an innovative initiative with a goal to allow vulnerable seniors to age in place, in Atlanta's Historic Westside. The program grew out of our affordable housing Service Coordinator program that has a proven history of impact in the social/financial

domains for at-risk populations. As the nation's largest employer of Service Coordinators, we saw an opportunity to enhance and expand our model to be able to help seniors access resources that will allow them to age in place even if they don't live in a National Church Residences building. With this in mind, we developed a care management system that enhances the role of a traditional affordable housing Service Coordinator. Our current program brings Home for Life to the 120 seniors of Big Bethel Village, one of our senior affordable housing communities in Atlanta, Georgia, as well as to the surrounding neighborhood through outreach. In addition, we are

partnering with Atlanta Habitat for Humanity's Repair with Kindness program to reach even more at-risk seniors in the community.

A \$100,000 grant from the NEF Preservation Fund enabled the continuation and enhancement of the program at Big Bethel Village and with Atlanta Habitat for Humanity.

Because of the generosity of the Lucas County Veteran Services Commission, the residents at National Church Residences' Commons at Garden Lake in Toledo, Ohio, were able to receive move-in kits, furniture, bus passes, personal hygiene items and cleaning supplies, as well as the provision of critical on-site supportive services to help these veterans improve their physical, mental and financial well-being. In addition, the Lucas County Veteran Services Commission provided support to launch a Safety Captain Program where resident volunteers receive special training in health and safety procedures, mental health first aid, and other practices aimed at ensuring a healthy and safe environment for themselves and their neighbors. These resident volunteers are also trained to provide leadership during emergency drills, and to serve as peer mentors to new tenants as they move in — helping them get acclimated and encouraging engagement in the services and programming.

## VOLUNTEER CHAPLAINCY PROGRAM EQUIPS VOLUNTEERS WITH NECESSARY RESOURCES, TRAINING AND SUPPORT

National Church Residences' comprehensive care for seniors includes spirituality through the lens of Christian care giving. We offer support to our seniors as they navigate new challenges, loss and celebrate life's many blessings.

As we work to serve the comprehensive needs of our residents, volunteers will play an integral role in delivering these services. The Volunteer Chaplaincy Program at National Church Residences equips volunteers with resources and training necessary to offer spiritual support to those who live in our communities. The program provides the opportunity for our residents to meet with a faith based individual who can listen, provide encouragement and help them to continue to find meaning.

# VOLUNTEER HIGHLIGHTS

## 2018 VOLUNTEERS OF THE YEAR

### **Leon Brodsky**

*First Community Village, Columbus, Ohio*

Leon Brodsky has been volunteering with National Church Residences at First Community Village (Columbus, OH) since he was in middle school. He's now a high school junior with a challenging academic schedule and an enduring spirit for helping people. Additionally, Leon is still able to balance a jam-packed extracurricular load of refereeing soccer, volunteering at the library, volunteering for the Columbus Marathon along with his ongoing commitment to the residents at First Community Village. Leon sees himself becoming a physician to provide health and wellness to those who will trust him with their care.

### **Jerry Waugh**

*Baptist Towers, Atlanta, Georgia*

Jerry Waugh has volunteered at Baptist Towers (Atlanta, Georgia) for 10 years. Jerry is an integral part of the Baptist Towers community. He was an employee for 15 years and he has been a resident for 25 years. Jerry helps with the maintenance and grounds up keep around the community. Whenever anyone needs help in the community, Jerry is the first name that is called. From calling BINGO to distributing the newsletter or hanging flyers, Jerry never complains and is always willing to help.

### **Dolores Sofield**

*Oak Creek Village, East Brunswick, New Jersey*

Delores (Dee) Sofield is a valued asset to the Oak Creek Village team. She has volunteered for the past six years, dedicating her free time to the community. Dee leaves her mark by planting flowers and decorating the inside of the buildings for each holiday, making it a warm and inviting place. In addition, Dee hosts residents' activities every week, helps distribute and clean up for the weekly Panera Bread donation, and participates in Mission Day activities. Dee's mission is to leave this world a better place than she found it. And that's exactly what she does at Oak Creek Village.

## 2018 CORPORATE VOLUNTEER OF THE YEAR

### **Huntington National Bank**

*Columbus, Ohio*

Over the years, Huntington National Bank has demonstrated what it means to be a true and authentic partner as their reach has extended to almost all aspects of our business. Huntington's involvement plays an integral role to ensure our residents receive financial education. They have expanded their volunteer roles from Columbus to Toledo, Akron, and Pittsburgh. In 2012, Huntington's Military Business Relations Group got significantly involved with our veterans-only community, Commons at Livingston. They established the Veterans Day dinners which have now become an annual volunteer event for Huntington colleagues. Every year, sixty or more Huntington volunteers serve dinner to 500 National Church Residences residents. Our partnership with Huntington runs deep, and we could not be more proud to have them as our 2018 Corporate Volunteer of the Year!

# VOLUNTEER HIGHLIGHTS — DISASTER

## HURRICANE SUPPORT FOR SENIORS HOTLINE

In late 2017, two Category 4 hurricanes and one Category 5 impacted 37 National Church Residences properties in 26 days. While many of our sites did not sustain significant damage, the commitment of the site teams to ensure the health and safety of their residents meant that seniors residing in National Church Residences buildings fared better than the seniors living around them. As is often the case, vulnerable seniors faced more challenges than others in the wake of these natural disasters. Because of an \$85,000 grant from Leading Age, we were able to revive and expand a successful program from our 2005 Hurricane Katrina response — the Hurricane Support for Seniors Hotline. Within days, the hotline was open to all seniors in the hurricane impacted regions of Texas and Florida. Forty-five Service Coordinators volunteered to staff the hotline, spending 1,950 hours responding to 711 inquiries for assistance with medical help, housing, food, financial assistance, and other needs.

## LONG TERM DISASTER RECOVERY

Recognizing that beyond immediate disaster relief, hurricane-impacted seniors in Texas and Florida are also in great need of resources in terms of long term disaster recovery, National Church Residences applied for and received two grants to distribute Federal Disaster Recovery Funding. Through these programs, National Church Residences is providing critical services and assisting seniors with long term recovery efforts in Manatee and Sarasota counties in Florida with a \$100,000 grant from Volunteer Florida and a \$50,000 grant through the HEART program (Housing and Economical Assistance to Rebuild Texas) created by the Texas State Affordable Housing Corporation and Enterprize Community Partners to benefit the residents in Aransas Pass, Texas — two particularly hard hit areas. Service Coordinators based out of National Church Residences properties are assisting seniors with finding housing, accessing resources to conduct repairs to their homes, and in some cases providing direct support for those with critical needs.

## EMPLOYEES DELIVERED SUPPLIES AND ASSISTANCE TO SENIORS IN PUERTO RICO

Within weeks after Hurricanes Irma and Maria devastated the island of Puerto Rico with major infrastructure damage and massive power outages, National Church Residences' employees jumped in to make a difference. Deliver the Difference provided 300 Relief Buckets for residents filled with canned goods and supplies. Many National Church Residences' employees volunteered to go to Puerto Rico to support their colleagues and the residents. The team who traveled to Puerto Rico took with them 6 suitcases full of supplies that were collected by employees. While there, in partnership with Volunteers of America, they packed 600 bags of supplies (totaling more than 300 pounds) and conducted assessments on more than 300 seniors in five apartment communities (including three National Church Residences' properties) in four cities across the island.
