

The background of the entire page is a photograph of two hands, one from the left and one from the right, reaching towards each other. The hands are positioned as if they are about to clasp or are in the process of giving. The background is a bright blue sky with soft, wispy white clouds. The overall tone is hopeful and uplifting.

# **THE POWER OF** *Giving*

National Church Residences

**PHILANTHROPY REPORT**  
**2018-19**

**Mark Ricketts**  
President & CEO

# THE *Power* OF GIVING

All of the generous donors celebrated in our annual Philanthropy Report combine to make up a powerful group.

You demonstrated your power through selfless generosity and by sharing your precious time volunteering for our organization. This year, you have truly transformed the lives of many seniors.

**J. Lynn Anderson**  
Chair, Board of Directors

You join a longstanding spirit of giving that began in 1961. In that year, a group of individuals with a vision to offer housing for God's "older children" provided the financial means necessary to acquire our flagship community, Bristol Homes in Waverly, Ohio. The power of those first gifts resulted in the beginning of National Church Residences.

Half of these funds came from individuals who provided gifts ranging from \$5 to \$1,000. Each gift was meaningful and necessary to make the bold vision a reality. Today, nearly six decades later, National Church Residences provides more seniors with a safe and stable home than any other non-profit in the nation.

Thus, this is one example of the power of giving.

**Jeff Wolf**  
Senior Vice President  
of Philanthropy  
and Mission Impact

Chief Operating Officer  
Foundations

When you support National Church Residences, you advance our mission of serving seniors. Your passion for our mission might be directed to growing our Chaplaincy program so more seniors receive spiritual, social and emotional support, or to expanding memory care in honor of a beloved family member with dementia, or to sustaining health and independence for seniors to remain home for life.

Whatever your desired impact, the power of your giving has made a difference for seniors across the country. As a not-for-profit organization, we rely heavily on the continued support of our donors. And as we strive to do even more for seniors in 2020, we want to thank you for using your own power of generosity to help us make life better for seniors every day.

Gratefully Yours,

Mark Ricketts, J. Lynn Anderson and Jeff Wolf

# Who WE ARE

## Our Mission

Originating from a Christian commitment of service, our mission is to provide high quality care, services and residential communities for all seniors.

## Our Vision

To advance better living for all seniors, enabling them to remain home for life.

## Our Core Values Support the Vision

### MISSION

We are driven by a deep sense that our work should serve God and always produce good for others.

### COMPASSION

We truly care about people and seek to treat each resident, employees and neighbors with dignity, respect and fairness.

### PROFESSIONALISM

We strive to be excellent at what we do and to be sound managers of resources with solid, ethical business practices.

### LEADERSHIP

We will be leaders in our field: setting a good example for others, visionary, growing, inclusive and constantly improving.

# Organizational HIGHLIGHTS

## JULY 2018

- Inniswood Village, a 192-unit senior living community in Westerville, Ohio, passed state inspection to obtain licensure for assisted living and memory care services delivery.
- National Church Residences' Firehouse program was featured in *Westerville Magazine*. The program offers service coordination, free of charge, to local residents who seek care and assistance from the local EMS or law enforcement. Service coordinators work to connect older adults to needed services so they can live safely at home.

## AUGUST 2018

- Almeta Cooper joined the National Church Residences Senior Living subsidiary board.
- Significant renovations were completed at Neshannock Woods in New Castle, Pennsylvania, providing chair lifts at each building.

## SEPTEMBER 2018

- National Church Residences celebrated the completion of the \$10 million restoration of two historic hotels, Biggs House and Washington House, which make up Riverview Retirement Center in Portsmouth, Ohio. These historically preserved buildings offer 106 affordable housing apartment homes for seniors.

## OCTOBER 2018

- National Church Residences Inniswood Village hosted a candidates forum for the 12th congressional district in Westerville, Ohio.
- Site preparation began at First Community Village in Columbus, Ohio for the new gated entryway and the 70-unit Fairfax building.

## NOVEMBER 2018

- A ribbon cutting ceremony was held to celebrate the completion of the \$10.7 million renovation project at Stygler Village in Gahanna, Ohio. Stygler Village was National Church Residences' first tax credit community.
- Terry Spitznagel, senior vice president, received the prestigious 2018 LeadingAge Robert Wood Johnson Foundation Award for Health Equity.

## DECEMBER 2018

- National Church Residences received a nine percent new construction award in Georgia for our first new build in that state since 2015. Ash Branch Manor in Pembroke, Georgia will provide 70-units of affordable housing for seniors age 55+.
- Sharpsburg Towers in Sharpsburg, Pennsylvania received a project-based Section 8 HAP contract that reduces each resident's rental responsibility to only thirty percent of their annual adjusted household income.
- Valley Bridge, a 70-unit building representing a \$10.2 million investment into new affordable senior housing in Toledo, Ohio opened.

## JANUARY 2019

- National Church Residences accelerated growth with the opening of a brand new regional office in Atlanta, Georgia.
- Plans for redeveloping Stafford Village in Worthington, Ohio moved forward with the announcement of the planned redevelopment as an 85-unit community that will target seniors over the age of 75.

## FEBRUARY 2019

- National Church Residences acquired Chambers Bridge Residence, a 183-unit senior Low Income Housing Tax Credit community located in Brick, New Jersey.
- Construction started on the 51 new market rate apartment homes at Legacy Village in Xenia, Ohio
- The longest federal government shutdown in history ended with a three-week Continuing Resolution (CR). During the shutdown, over a dozen National Church Residences communities stopped receiving rental subsidy payments and over 100 services coordinator grants expired. National Church Residences mobilized a contingency plan to temporarily access project reserves to cover most of the funding shortfalls.

## MARCH 2019

- Invest Atlanta's housing committee approved a \$1.2 million grant to build True Light Haven, a 124-unit affordable housing community developed by National Church Residences and True Light Baptist Church.

## APRIL 2019

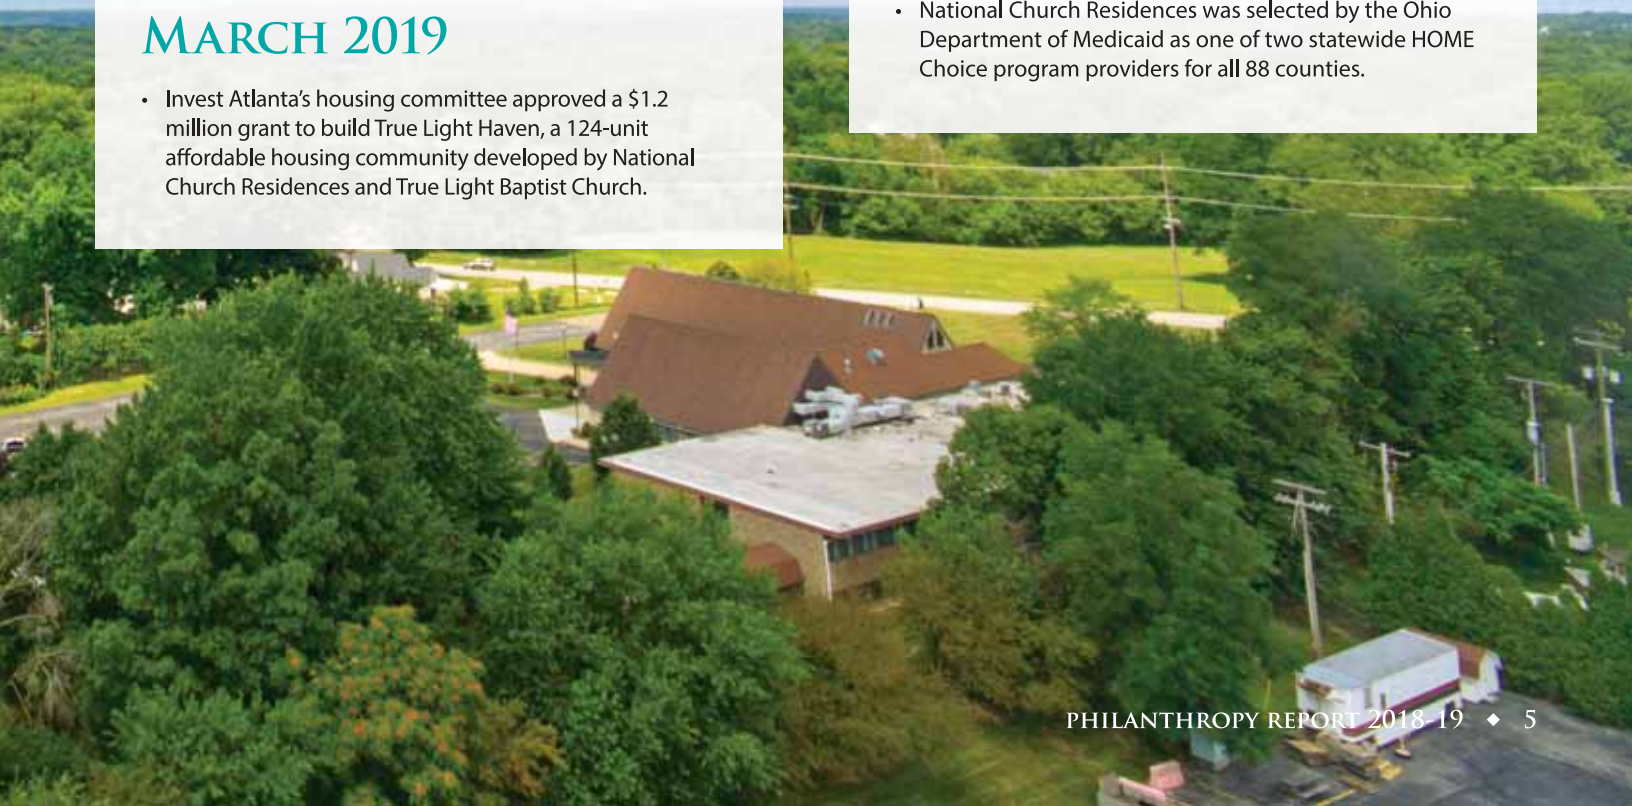

- National Church Residences acquired Brandywine Apartments, a 50-unit HUD Section 8 property located in Richardson, Texas.

## MAY 2019

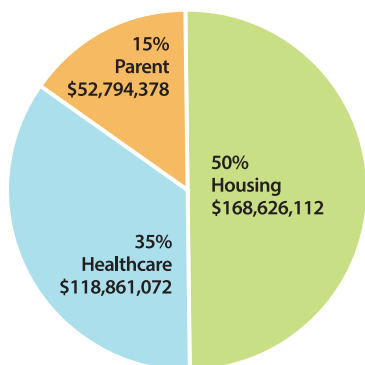

- National Church Residences received the HUD Council on Foundations 2019 Secretary's Award for Public-Philanthropic Partnerships for The Champion Intergenerational Center.
- Avondale Senior Village in Dublin, Ohio celebrated the \$10.2 million investment resulting in the creation of 200 additional senior apartments during a grand opening event.

## JUNE 2019

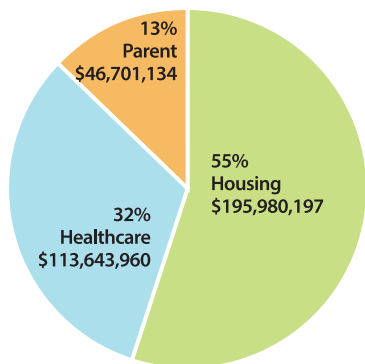

- Low Income Housing Tax Credits (LIHTC) were secured to build Northland Gate, a 94-unit senior housing community in northern Columbus, Ohio. The \$16 million project was supported by \$11.7 million in tax credits from Ohio Housing Finance Agency and \$300,000 from the City of Columbus.
- National Church Residences was selected by the Ohio Department of Medicaid as one of two statewide HOME Choice program providers for all 88 counties.

# Volunteer HIGHLIGHTS

## Besa Creates an Army of Volunteers

The Columbus community is blessed to have an organization dedicated to connecting people to community service, creating an army of dedicated volunteers. That organization is Besa, and National Church Residences is grateful to be in partnership with them.

Over the past seven years, Besa volunteers have been interacting with our seniors at adult day programs throughout the city and in our communities. Most notably, Besa has been including our seniors in their Annual Adopt-A-Senior holiday giving program. Many of our seniors have little or no family and often receive nothing over the holiday season. Their desires are small: slippers, gloves, blankets, cleaning supplies or toys for their pets. Besa volunteers provide them with their requests and often much more. In 2018, Besa provided approximately 270 seniors with gifts for the holiday season. National Church Residences is proud to partner with such a giving group of volunteers.

## Good Partners Make for Great Progress for Volunteer Chaplaincy Program

When the executive board of National Church Residences launched an initiative to provide spiritual care for all our residents, they knew it would require more resources than we possess. The solution included vital partnerships with faith communities who embraced this worthy vision.

Because of the outstanding reputation National Church Residences enjoys in the communities we serve, doors opened quickly.

Two of the earliest and most influential partners were Vineyard Columbus (non-denominational) and Central College Presbyterian Church. These early partnerships helped to promote and recruit members and staff to serve as Volunteer Chaplains. These Volunteer Chaplains are providing support, comfort and guidance to our seniors of all faith traditions.

Our collaborations have expanded to now include over 20 faith community partners. Currently, more than 2,300 seniors in Central Ohio have access to Volunteer Chaplains who have contributed 1,000 hours serving our clients and residents.

As an organization we are committed to caring for the physical, emotional, social and spiritual well-being of our residents. Our vision is to have Volunteer Chaplains available to serve each of our housing communities across the country.

## 2019 Volunteers of the Year

National Church Residences Foundation honored two individuals and an organization as 2019 Volunteers of the Year for their service and dedication to our organization and the community.

### 2019 Volunteer Organization of the Year

(Left to right) Matthew Goldstein, CEO of Besa, Suzanne Coates Brown, Besa Board of Directors, Ginney Barney, National Church Residences Board of Directors.

### BESA

Columbus, Ohio

Besa is a not-for-profit organization with a mission to connect more people to community service, encouraging others to give back by means of volunteering. The word Besa is an Albanian term for the belief that we can overcome our differences and together address the problems that plague our community. Besa is led by Matthew Goldstein. More than seven years ago, the organization first began providing volunteers at our Centers for Senior Health and over time added Stygler Village, Mill Run and First Community Village to the list of volunteer destinations. Volunteers spend time with our residents making crafts, playing games and providing one-on-one attention.

### 2019 Volunteers of the Year

(Left to right) Jim Savage, National Church Residences Board of Directors, Jim Geist, Volunteer of the Year award winner from Legacy Village, Xenia, Ohio.

### JIM GEIST

Legacy Village, Xenia, Ohio

Jim Geist, a resident at Legacy Village in Xenia, Ohio, has been volunteering at the property since he and his wife moved there more than three years ago. Geist volunteers in the Memorial Garden, cutting the grass and maintaining the grounds. He began a conversation group which has increased in participation from four to 20 regular participants. Geist also spends time with assisted living residents, calling bingo, playing cards with residents and assisting with special events.

### DEBI SMITH

Debi Smith volunteers in the senior apartment community of Padua Hills in Wickenburg, Arizona, and serves as a volunteer coordinator at her local church. Smith has coordinated about 730 volunteer hours and has contributed nearly 450 hours of her time volunteering. In addition, she has organized fundraising for patio furniture, a television, and emergency safety lights in each apartment, as well as weekly meals from a local restaurant. Smith drives residents to medical appointments, to visit the local animal shelter, calls to “check in” on residents — and just generally makes everyone feel special. Residents say Smith has enhanced their lives and has become an integral part of their community.

Debi Smith, Volunteer of the Year award winner from Padua Hills in Wickenburg, Arizona.

# Volunteer HIGHLIGHTS

## Home Depot Continues to Enrich The Lives of our Seniors

National Church Residences is proud to be a National Partner with The Home Depot Foundation. In addition to grants and event sponsorships, Home Depot recently underwrote the cost to purchase and install a large generator at Big Bethel Village in Atlanta. This ensures that power is available to critical areas within the 120-unit building in the event of a power outage.

Home Depot employees remain active in Team Depot volunteer projects throughout our footprint, donating both goods and employee services in response to resident needs at our communities.

One of those projects is the Secret Garden at our Chillicothe, Ohio campus. The Secret Garden was created to provide an exterior congregate space for residents to use for programs and activities such as outdoor religious services, live musicals, meditation groups, gardening clubs, outdoor movie theater and educational speakers. This project has been completed in two phases and has been supported by gifts and grants by residents, staff and community partners, including Home Depot through the Team Depot Volunteer Program.

We are very fortunate to be recognized as a National Partner of The Home Depot Foundation.

## Hospice Celebrates Life and the Lives of Loved Ones

Over the summer, the Senior Services Hospice team held their annual Hospice Celebration of Life Memorial Service at the Franklin Park Conservatory at the Wells Barn. This event welcomes the families of clients who have passed away while on National Church Residences hospice service, to reunite with the nurse case managers, aides, social workers, clergy and volunteers who provided compassionate care

and support — to not only the client, but to their families during what is a most difficult time. One hundred thirty-five clients were honored. Guests enjoyed a four-string quartet and refreshments while catching up with members of the hospice team and remembering, honoring and celebrating the lives of their loved ones.

# Volunteer HIGHLIGHTS

## Huntington Bank Continues Tradition Honoring Our Veterans

For the past seven years, our partners at Huntington Bank have been honoring our veterans by hosting a dinner at our permanent supportive housing properties in November. In 2018, in addition to hosting the dinner, Huntington invited National Church Residences and our Commons at Livingston veterans to participate in the Columbus Veterans' Day Parade on November 9, 2018.

The Commons at Livingston, Commons at Grant, Commons at Buckingham and Commons at Third all participated in the 2018 dinner, which was hosted on Veterans Day. More than 50 Huntington volunteers served dinner to and played games with residents.

## Grover Melligan Gift Supports Future at Bristol Village

Bristol Village in Waverly, Ohio received one of the largest donations in its history from the estate of Grover Melligan. Grover was a resident of Bristol Village for 24 years and donated nearly \$550,000 to the Bristol Village Foundation through his will. This unrestricted gift will be used to support

areas of greatest need at Bristol Village, such as capital projects and resident programs. Grover was a retired Army defense engineer, a U.S. Army veteran, a 1958 graduate of Virginia Polytechnic Institute, and a lifetime member of VFW Post 5193 in Belvidere, NJ. Service was important to him, and Grover had a deep love for his community. He viewed this gift as a way to give back and to ensure some of the greatest needs at Bristol Village would be addressed through his legacy.

## Benefits Enrollment Impacts the Lives of our Seniors

On the Near East Side of Columbus, National Church Residences implemented our *Home for Life* program — an innovative intervention program that addresses the social determinants of health that enables seniors 65+ to age in place while reducing the burden on their caregivers. Because of our success with this program, we were awarded the Benefits Enrollment Center (BEC) grant through the National Council on Aging's (NCOA) Center for Benefits Access. The focus of the BEC grant is to enhance access to benefits for qualifying low-income Medicaid and Medicare beneficiaries through a Benefits Enrollment Center (BEC) approach.

Our Benefits Enrollment/*Home for Life* Service Coordinator assisted 130 seniors with benefits enrollment, helping them submit a total of 192 applications that resulted in approved benefits valued at nearly \$500,000.

The Home for Life program continues to provide invaluable services to our residents and the community, demonstrating an innovative approach to how we care for seniors.

*Pictured with Rosemary Mathes, Community Service Coordinator/Benefit Enrollment Specialist (far right) is Lauren Coleman (left) and Kari Barnes (center), two OSU interns who assisted Rosemary with the community benefit enrollment process.*

## Work Readiness Program Helps Permanent Supportive Housing Residents

**Bank of America  
Merrill Lynch**

As part of its mission, National Church Residences operates permanent supportive housing (PSH) with wrap-around services

for formerly homeless individuals with severe, persistent disabilities. Employment has a positive effect on an individual's ability to develop relationships and contribute to society in meaningful ways — with the connection between returning to work and improved health being well-documented. Unfortunately, these hard-to-employ individuals face many obstacles. Limited skills and experience, lack of access to computers and transportation, as well as physical and mental disabilities are all factors that keep them from finding and keeping jobs. Many have tri-morbid conditions, or concurrent mental health disorders, substance abuse issues and chronic medical problems.

Approximately 21% of participants in standard work readiness programs become employed. However, because participating in lengthy classroom training can be difficult for some, we expanded our successful employment services to include Right Track, a fast-track work readiness curriculum that quickly moves residents into paid on-the-job training at one of our PSH sites. Of those who have completed the program, more than 50% have moved on to traditional jobs — double the number from the standard programming.

A \$25,000 grant from Bank of America is enabling us to expand this model to benefit additional supportive housing residents, increasing the number of residents who receive on-the-job training stipends.

# Philanthropy HIGHLIGHTS

## Newly Launched On Point Program Targets Veterans Feeling Isolated

Thanks to the power of one generous donation, National Church Residences celebrated the grand opening of its new program for military veterans at the Center for Senior Health in northern Columbus. The On Point program is in partnership with the Veterans Administration and offers veterans who feel isolated a place to go and socialize with other veterans while participating in daily activities, games, and much more.

The goal of the On Point program is to provide veterans with the important resources they need to regain their energy, meet new friends and improve their quality of life.

In addition to the daily programming, some veterans receive health services from nurses, therapists and social workers during visits to the Center. The program also offers field trips to such places as the National Veterans Memorial Museum, the Ohio History Connection museum, the Memorial Day event for fallen soldiers at the State House and fishing at the Sharon Woods Metro Park.

More than 80 veterans are enrolled in the new program, all of whom were referred by the Veterans Administration, which provides round trip transportation.

## 2019 Golf Classic Raises Record Donations

The ninth annual Golf Classic event was held at the world-renowned Muirfield Village Golf Club on Monday, July 15, 2019.

Ninety-six golfers and 200 dinner guests from as far away as Chicago, California, and Denver were in attendance to support our permanent

supportive housing programs and the volunteer chaplaincy program.

This sold-out event raised a record-setting \$310,000 — bringing the total proceeds of the Golf Classic to just over \$2 million.

Our keynote speaker this year was Leon Logothetis, host of the Netflix series, *The Kindness Diaries*. During Leon's presentation, he shared how he walked away from a lucrative career as a broker in London to embark on a global journey where his only mission was to connect with strangers as he relied solely on their kindness for food, shelter and fuel.

## Water's Edge of Bradenton Residents Come Together to Expand Their Chaplaincy Program

Chaplain Ed Bartel is a familiar face at Water's Edge of Bradenton. Starting as a part-time pastor for the senior living community located in Bradenton, Florida — part of National Church Residences in the Sunshine State — Chaplain Ed's friendly and compassionate presence offers social, emotional and spiritual support for residents and their families.

Chaplain Ed started at Bradenton working 20 hours a week. Residents found so much value in his presence that they wished to have him full time and mounted a fundraising campaign to make that happen.

Through individual contributions and a benefit concert with Heart of David Band, they exceeded their \$50,000 goal.

There are ongoing monthly and weekly contributions that fund continuing needs too — including books, supplies for communion and materials for other religious and social activities.

As with all Chaplaincy initiatives across National Church Residences communities, spiritual needs are addressed regardless of faith. Water's Edge of Bradenton residents who participate in Chaplaincy programs are Christian, Jewish, Universal Unitarian — while others identify with no formal faith affiliation.

# Philanthropy HIGHLIGHTS

## BELFOR Helps Garden Grove Seniors After Flooding

Heavy rains caused a creek to burst its banks and flood the Kansas town of Manhattan, forcing more than 300 people to evacuate their homes, including some who were ferried to dry land in boats.

Nearly 9 inches of rain fell from Sunday night into Monday over Labor Day weekend 2018, causing extensive flooding to National Church Residences Garden Grove senior affordable housing community. All of the residents were evacuated and moved to higher ground as the water on the first floor rose as high as three feet, which resulted in significant loss of personal possessions. It took weeks to fully restore power to the region — and it was even longer before these residents could return to their homes.

A generous donation from BELFOR Property Restoration provided \$100 gift certificates to each of these residents when they returned to their homes to replenish the food and personal care items lost in this disaster.

This story was also featured on the ABC docu-series, *Rescue Heroes*.

## Foundation Receives 2019 HUD Secretary's Award for Public-Philanthropic Partnerships

National Church Residences Foundation has been awarded the 2019 HUD Secretary's Award for Public-Philanthropic Partnerships. This award is a national collaboration between HUD and the Council on Foundations, now in its seventh year. It recognizes excellence in partnerships that have both transformed the relationship between the sectors and led to measurable benefits for low- and moderate-income households.

Awards are given to ten foundations for completed or ongoing initiatives that are executed in partnership with any local, regional or federal government. The goal is to recognize the partnership process and its impact as a community strategy across all American geographies.

The featured project, the Champion Intergenerational Enrichment and Education Center, is a perfect example of how multi-sector organizations came together to create a state-of-the-art congregate intergenerational learning center, and to be a catalyst for change on the Near East Side of Columbus, Ohio. The partners for this project include: National Church Residences; Columbus Early Learning Centers; The Ohio State University; Partners Achieving Community Transformation; and the Columbus Metropolitan Housing Authority.

## Transportation Team Goes the Extra Mile

Changing the lives of those in need — one person at a time — is central to the work National Church Residences transportation staff. Brenda, a transportation client who resides in a remote rural community of Belmont County, Ohio requires kidney dialysis three times a week at Belmont Dialysis. National Church Residences provides the services for the 50-mile round trip for her on each of those days.

National Church Residences drivers noticed that as Brenda's health condition declined, so did her home environment. The National Church Residences team reached out to a local women's group and connected with a volunteer EMS first responder in her neighborhood who knew the owner of Brenda's rental home. Some local families got together, and within a few weeks a new concrete ramp was added to the porch that extended out to the roadway. With additional support from the drivers, the debris from inside and outside the house was hauled away.

Our transportation program in Belmont County is made possible by funding through state and local grants as well as individual gifts. This valuable program not only provides much needed transportation services, it creates much needed connections to these eastern Ohio seniors still living independently.

## The Nick Rozanski Memorial Foundation Supports Right Track Program

The Nick Rozanski Memorial Foundation provided a generous grant to support the Right Track Program at the Commons at Livingston in Columbus, Ohio, a permanent supportive housing community that serves exclusively disabled and formerly homeless veterans. This

grant specifically will assist with the Maintenance Apprenticeship

program, which helps Commons at Livingston veterans gain valuable skills that will allow them to re-enter the workplace.

Captain Nick Rozanski was a Columbus native, husband, father of two daughters and a member of the Ohio Army National Guard's 37th Infantry Brigade Combat Team. Nick served in both Kosovo and Iraq until his final deployment in 2012. Captain Nicholas J. Rozanski died on Wednesday, April 4, 2012, supporting Operation Enduring Freedom in northern Afghanistan.

The Nick Rozanski Memorial Foundation is dedicated to honoring the lives of those who served. Through scholarships, service projects and community programs, they empower community members to advance themselves and their community.

## ORIX Foundation Recognized for Their Generosity

Senior leaders along with representatives from Red Capital and the ORIX Foundation gathered at the Champion Intergenerational Enrichment and Education Center to recognize the ORIX Foundation's contributions to our mission. The ORIX Foundation has awarded over \$150,000 to National Church Residences Foundation for programs and services benefitting our clients and residents including the formerly homeless, frail seniors and vulnerable families.

National Church Residences is so grateful to have such an amazing partnership with an organization so committed to helping others. We sincerely thank the ORIX Foundation and Red Capital for all they have done for our organization.

# FreeWishes Foundation Makes New Computer Lab Wish a Reality for Big Bethel Village

After learning that senior residents at Big Bethel Village — our affordable senior housing community in southwest Atlanta — were fundraising for new computers, international recording artist Future, along with his mother Stephanie Jester and sister Tia Wilburn-Anderson, stepped in to make their big wish a reality.

The FreeWishes Foundation, in partnership with National Church Residences, surprised 120 seniors right before Valentine's Day with a grand re-opening ceremony to celebrate the newly renovated computer lab. The updated computer lab was named in honor of the late Ruby Nell Gates, who is Stephanie Jester's grandmother, and the reason the foundation was created.

The Home for Life Coordinator was instrumental in partnering with the FreeWishes Foundation. She recognized that residents would benefit from greater technology access — to connect with loved ones via social media as well as to monitor their health status and medication management.

During the ribbon cutting, remarks were given by Atlanta City Councilmember Andrea Boone, who welcomed guests to the celebratory event. Community partner JenCare sponsored refreshments after the ribbon cutting ceremony.

Following the success of the new computer lab provided by the FreeWishes Foundation, seniors at Big Bethel Village in Atlanta, Georgia, still needed training to effectively make use of their computers and understand social media. The Home for Life Service Coordinator was able to partner with the Atlanta Eagle Scout Troop #2000 to offer training and resources to the residents. Due to the positive response from the residents to this training, the Eagle Scouts, located in Alpharetta, Georgia (about 60 miles from Big Bethel Village), traveled to Big Bethel and held a raffle fundraiser to provide tablets for several of the residents. The Eagle Scouts also provided training on how to use the tablets to the lucky winners.
