HOW YOU CARE WHEN IT *Matters Most*

When I became CFO of National Church Residences, I already had a deep respect for you – our donors. Though my professional life has orbited around accounting and finance, my heart has always been committed to making a difference every day. Seeing how much you care when it matters most is humbling and uplifting.

Through your partnership in philanthropy, you support our focus on making life better for the seniors that we serve. You inspire us – the leaders of National Church Residences and National Church Residences Foundation – to do even more.

You provide programs with profound meaning for those we serve. You soothe caregivers caring around the clock for their loved ones. You provide essentials and emergency support when a natural disaster or crisis strikes. You provide a chaplain to journey with our seniors through the many new experiences and losses that are a natural part of aging. In addition, your generosity supports benevolent care, memory care and capital projects on our senior living campuses.

Because of you, National Church Residences provides quality housing, health care and services to more than 44,000 seniors every year when they need it most.

We are deeply grateful for all that you have done to support National Church Residences this year and every year.

Yours in Gratitude,

Robert Walter

Mark Ricketts

President & CEO

Your every donation and every hour of service envelops seniors and enriches their lives. Year after year you support us and challenge us to do more and be more to those we serve. You give us, as leaders, energy and hope and help us persevere to do good. We humbly thank you for your generous hearts and for providing us even more opportunities to fulfill our mission of service to seniors wherever they call home.

Sincerely,

Mark Ricketts & Gregory Overmyer

About Us

MISSION

Originating from a Christian commitment of service, we provide high quality care, services, and communities for seniors.

VISION

By 2030, National Church Residences will scale for mission impact, advancing better living for 100,000 seniors, wherever they call home.

FAITH STATEMENT

National Church Residences was founded as a Christian organization committed to serve all seniors without regard to their beliefs or personal identity. Our values reflect compassion and respect for everyone in everything we do. We welcome everyone who shares our mission to join us in serving seniors.

DIVERSITY, EQUITY & INCLUSION

- Definition of Diversity: Love, value and respect everyone.
- Vision: People are attracted to work, live and be served by National Church Residences because we are a leader in our field in the area of diversity, equity and inclusion.
- Our Why: Consistent with who we say we are – aligned with our Core Values.

OUR CORE VALUES

PURPOSEFUL SERVICE

We are driven by a deep sense our work should honor God; we are inspired to serve seniors so they can thrive in safe and loving homes.

COMPASSION

We strive to foster a caring community of dignity and belonging.

EQUITY & INCLUSION

We pursue fairness, diversity, and inclusion to respect, value, and protect our employees, residents and all whom we serve.

EXCELLENCE

We commit to the highest standards of integrity, quality, stewardship and safety, while continuously innovating and improving.

SERVANT LEADERSHIP

We place the needs of others first. We are willing to learn from and elevate each other, and celebrate our successes.

11TH ANNUAL

GOLF CLASSIC

The world-class Muirfield Village Golf Club once again played host to National Church Residences 11th Annual Golf Classic on August 30, 2022. The 96 golfers and nearly 200 dinner guests supported the organization's mission by donating more than \$329,000, the most raised in a single year in the history of the event. Proceeds from the Golf Classic will benefit the Volunteer Chaplaincy Program in our affordable housing communities and the Hospice Caregiver Program.

After golf and dinner, our guests were entertained by comedian Michael Jr. Known as one of today's most gifted communicators, Michael Jr brought lots of laughter and encouragement to our guests. Using comedy and dynamic storytelling, he inspired Golf Classic guests to discover and activate our purpose.

National Church Residences wants to thank all who came out to support this event.

1ST ANNUAL

RIDE FOR HOSPICE

Saturday, September 18, 2021 marked the beginning of a new annual tradition: the Ride for Hospice. Held in Waverly, Ohio, the 70 riders, 30 volunteers and 25 sponsors (including key sponsor Flickinger Legal Group) were led by Bikers for Christ in raising \$8,000 for the National Church Residences Hospice Caregiver Support Fund. The fund provides specially trained helpers to families caring for a loved one on hospice at home, helping to alleviate caregiver burnout and prevent caregiver crisis.

Riders gathered in fellowship and rode through Bristol Village, celebrating with and greeting the community residents. The event also included an auction, 50/50 and bake sale.

City of Columbus Grant Provides Rent Relief

In December 2021, National Church Residences received a \$850,000 grant from the City of Columbus to provide rent relief for nine affordable senior housing communities in the Columbus metropolitan area. The communities included:

- Abbey Church Village
- Argus Green
- Avondale Senior Village
- Chestnut Grove
- Hilltop Senior Village
- Lincoln Gardens
- Northland Gate
- Ravine at Central College
- Woods on Country Club Road

One of the largest grants in the Foundation's history, the funds were put to work for eligible residents during 2022, sparking gratitude and excitement among residents who benefited from the program. Said one resident, "The grant from the City of Columbus that helps pay some of my rent...**really** helps me a lot!"

Eligibility was based on income-to-rent ratios. For those residents paying more than 30% of their income toward rent, their rent was subsidized down to that level.

In addition to the rent subsidies under the grant, National Church Residences is developing a financial education program that will help residents better understand their finances and how best to plan for their future needs.

We are grateful to the City of Columbus for the support of this important program and look forward to continued partnerships.

Bank of America Grant Supports Permanent Supportive Housing Right Track Training Program

In September 2021, National Church Residences was honored to receive one of only two awarded Bank of America (BOA) Neighborhood Builders grants. This \$200,000 grant will be disbursed over two years in support of our Permanent Supportive Housing (PSH) Right Track Training program in the Columbus area.

Our Right Track program begins by providing formerly homeless or unstably housed individuals with a safe housing environment, adding an on-site professional support network that includes nurse practitioners, licensed social workers, counselors and employment specialists. Then our staff engages them with the Right Track Training program to help determine their strengths and to use those assets to gain meaningful employment. PSH staff works closely with employers in the community, helps specify the clients' training to meet needs and provides ongoing support that helps residents remain stably employed.

Many thanks to Bank of America for recognizing National Church Residences and supporting our PSH residents with this prestigious gift.

Passion Project Inspires Updates at Lincoln Village

After a tour of Lincoln Village, donor Virginia D. Ragan had a vision of creating two spaces that would greatly impact the living experience of residents there. Ginni, as she likes to be called, has for many years been an advocate for the elderly and their care, especially those with memory impairment.

The first space was for a new salon to treat the men and women residents to a spa-like experience whenever they came in for a trim or hairdo. A visit to the hairstylist at Lincoln Village is something that residents really look forward to, but a trip to the decades old salon located in the basement did not feel like pampering. With her support, "Ginni's Salon" was moved to the first floor where she helped create a beautiful, warm and welcoming space.

Resident Ruth Ann loves the salon ambiance and having her hair done every week. It makes her feel and look good.

The second was a meeting room in the lobby of Lincoln Village. This new space was created by adding a glass wall. It is now the perfect place for residents to meet with health practitioners and family members. An extra bonus is that the space can also be used for staff trainings.

On May 20, 2022, we gathered to celebrate the opening of these two new transformational spaces. Residents shared their excitement and gratitude during the event.

Robert Merkle Legacy Gift Enhances Life at First Community Village

First Community Village Foundation has received a generous bequest from the estate of Robert Merkle, a seven-year resident of the Village. A retired petroleum engineer with a career spanning more than three decades and a widower of 24 years, Robert Merkle was an outdoor enthusiast and avid hiker with more than 5,000 miles "logged." Bob valued the active and enriched living experience that First Community Village provided him so much that he expressed his gratitude with a transformational gift.

By far the largest bequest that the First Community Village Foundation has received, Bob's gift in excess of \$1 million will be used to strengthen the Foundation's Sustaining Fund, develop a Sensory Garden (see renderings below and at right) and provide for future Foundation mission impact.

Robert Merkle, a friend to many, is no longer with us, but his legacy of humility, generosity and transformation lives on through his gift. A charitable bequest (gift by will) is a beautiful expression of one's life as it reaches forward to help others.

Rise 'N Shine Brightens Atlanta Again

National Church Residences' 2022 Rise 'N Shine Breakfast to Champion Older Adults fundraising event in Atlanta raised over \$20,000 to support affordable senior housing communities and further grow the chaplaincy program in the metro area. This fourth Rise 'N Shine event returned to in-person meeting for the first time since 2020, with 71 attendees – including many regional business and government leaders.

This year's panel of speakers focused on equity in aging and included Christina Cummings, VP of Operations, Partnership for Southern Equity; Dr. Lois Ricci, AARP Georgia Caregiver Ambassador, AARP Georgia Board Member, Tucker Age Friendly Representative and Adjunct Professor of Gerontology, Kennesaw State University (participating virtually); Katie Perumbeti, Lifelong Communities Coordinator at the Atlanta Regional Commission (ARC) within the Aging & Independence Services Group; and Christine Wiggins, VP of Community Health, The Fulton-DeKalb Hospital Authority. Beverly Burks, Regional Director of Philanthropy and Public Relations, coordinated the event and served as moderator.

The panel discussed equity through the lens of access, justice and fairness, and examined how agism, stigmas and other stereotypes have an impact on equity for seniors. They considered how communities can be designed and created to address a continuum of needs with greater equity, as well as examining how seniors face equity challenges related to policy, housing, health care, transportation, shopping and other facets of daily life .

Special thanks to the 2022 sponsors (see below right) for making the fourth annual Rise 'N Shine event a success.

Resident Emergency Fund Responds in Louisiana

Our priority at National Church Residences is to make sure our residents are cared for when faced with an unexpected emergency and uncertain times. For this reason, the Resident Emergency Fund was created.

When Category 4 Hurricane Ida hit Louisiana in late August of 2021, it was at its peak. The storm caused catastrophic flooding, wind damage and power outages. Ten National Church Resident apartment communities were impacted and hundreds of our seniors were temporarily displaced.

The hurricane hit at the end of the month when most of our residents have very little money left in their budget. Because of an anonymous gift, food and water was able to be used in by volunteers. And, through another gift to the Resident Emergency Fund, National Church Residences was able to provide \$100 gift cards to each of the Louisiana residents to help them replenish things they lost, refill their pantries, and purchase day-to-day items.

"I felt like Santa Claus as I passed out the cards. Being able to see residents smile with such excitement about their gift card was huge!" said Patricia Crain, Regional Leader.

Thanks to everyone who donates to the Resident Emergency Fund. Your generosity assures that we will continue to offer life-sustaining and reassuring support to our seniors during difficult times.

Philanthropy HIGHLIGHTS

60th Anniversary at Bristol Village Celebrates Giving

In 1961, when Rev. John Glenn saw the uninhabited development that was Bristol Homes and envisioned a new senior retirement community, even he probably couldn't have imagined the flourishing, lively Bristol Village of today. And though the Bristol Village Foundation was first launched in 1987, the spirit of giving has been integral to the community since its opening in 1962. The form that spirit takes has followed the philanthropic vision of the residents, from the earliest "pioneers" to the vibrant community members of 2023.

"Giving back and engaging in the community is a habit, an expectation, and a way of life at Bristol Village," shared Nicole Papa, director of philanthropy for National Church Residences. "There is hardly an area of Village life that has not benefited from philanthropy. In addition to major capital improvement campaigns, the Bristol Village Foundation has been key to the success of the more than 40 resident-led clubs, committees and special projects that are a hallmark here."

Long pre-dating the formation of the Bristol Village Foundation, the first capital campaign in 1971 raised \$42,000 for the medical center. The Good Neighbor Fund, still in place today, was established in 1975 to confidentially help residents experiencing financial hardship. The healthcare center was built in 1989, funded in part by \$800,000 in philanthropy.

The 1990s expanded the impact of the Foundation. Residents contributed to a capital campaign in 1991 for significant improvements to Bristol Court, built in 1979 to add affordable senior housing to the campus. In 1999, another capital campaign raised more than \$1 million to expand the Glenn Center, adding the library, café and fitness center, as well as building 24 memory care apartments at the healthcare center.

In 2007, tennis courts, a dog park, paths and gardens were added as a result of a capital campaign. Also through the Foundation, a new transportation program was launched, providing residents with rides in Pike County.

In June 2018, the Bristol Village Foundation received the single largest gift in its history and the third largest bequest for all of National Church Residences. With those funds, in 2021 the Fitness Room was expanded, upgrades to BV TV began and construction of a new shelter house was completed.

The vision of current residents has been the impetus to establish the Railroad Club and Museum, enhance and beautify Cooper Wildflower Woods, create the Hummingbird Garden, renovate the Museum Cottage and expand archiving of Village history.

“Bristol Village will always hold a unique place in our hearts. Reverend John Glenn’s vision for a better life for seniors has inspired our mission, growth and leadership over the past six decades. And the Bristol Village Foundation helped launch a commitment to philanthropy that extends across our entire organization.”

– Mark Ricketts, President and CEO, National Church Residences.

FUNDRAISER KICKED OFF 60TH ANNIVERSARY EVENTS

The second annual Stroll Run or Roll for Bristol fundraising event began the Village's 60th anniversary celebration on June 22, 2022. Glorious weather welcomed the 60 individual participants riding scooters, bikes and golf carts, as well as those on foot.

A total of \$11,500 was raised through Stroll Run or Roll.

In addition to Bristol Village residents, family, friends and staff participants, Seif & McNamee and First National Bank of Waverly supported the Foundation through corporate sponsorships.

Residents selected the fund, program or activity they wished to support, including:

- Bristol Court Activities
- Bristol Village Library
- Chaplaincy
- Cooper Wildflower Woods
- Enrichment Hour
- Good Neighbor Fund
- Hummingbird Garden
- Memory Care
- Scioto Valley Model Railroad Club
- Sight & Sound Committee
- Southern Hospice
- Tour Committee
- Transportation Fund

A special match from the National Church Residences Foundation was awarded to the Scioto Valley Model Railroad Club for raising the most funds this year.

Thanks to everyone who participated and supported the Bristol Village Foundation.

Volunteer HIGHLIGHTS

TUNES & TOGETHERNESS With Seeds of Caring

Seeds of Caring is a Central Ohio non-profit that works to empower kids to make a real difference through service, social action and community-building. National Church Residences and Seeds of Caring share a beautiful partnership.

Tunes and Togetherness, an intergenerational music program, is one of Seeds of Caring's signature community-building initiatives. It brought together children, their caregivers and our seniors at Harmony Trace and Stygler Commons for an hour of music and companionship.

The program was led by Joanie Calem, who has many years of experience engaging groups of all ages. She invited participants

to sing along to old favorites, as well as leading simple movement songs that are familiar to young children. Participants also played games and worked together on crafts to foster connection.

Tunes and Togetherness aims to encourage fun intergenerational relationships that benefit both children and seniors -- helping children to grow in empathy and breaking down stereotypes about aging, while replacing feelings of isolation among seniors with a renewed sense of joy, purpose and companionship.

HOLIDAY DRIVE CONNECTS COMMUNITIES

Inniswood Village Adopts Cherry Blossom

When residents of Inniswood Village in Westerville, Ohio wanted to adopt a "sister community" for Christmas, the National Church Residences Foundation team connected them to Cherry Blossom, a nearby community in Columbus, Ohio.

Cherry Blossom residents provided wish lists to their "Secret Santas" at Inniswood Village. All 53 requests were fulfilled, ranging from cleaning supplies to a microwave.

Inniswood residents wanted every senior at Cherry Blossom to receive a gift. So in addition to shopping for wish list items, they also purchased festive and senior-friendly gifts for those who had not made a particular request.

Inniswood Village residents held a wrapping party to celebrate and prepare their gifts for Cherry Blossom residents.

After the gifts were delivered, Cherry Blossom staff had a Christmas party for their residents and distributed the gifts.

THANK YOU FOR *Caring* WHEN IT MATTERS MOST

You move our mission forward by helping us to provide high quality care, services and residential communities for seniors. You, our dedicated volunteers and donors, serve our residents in your own backyard and across the country.

We are blessed by your kindness and generosity. Thank you for standing by us in this time of growing need.

We'd love to hear from you at our team email address: philanthropy@nationalchurchresidences.org

In Gratitude,

Your Foundation Team
